A Few Notes To Remember

- We have limited manpower to man the epilepsy centre, so please be patient when you contact us by phone, email or WhatsApp.
- When at the centre, please ensure that you help to keep the place clean by disposing unwanted items into its rightful place. Avoid sweeping food debris onto the floor.
- As domestic postage rates have increased significantly, we will not be sending any ECG materials and appreciation letters by post unless requested.
- Remember we are made up of mostly volunteers so please be kind!
